Profile

I'm a dedicated Multimedia Applications student at Cape Peninsula University of Technology (CPUT), passionate about blending creativity with technology. My expertise includes: graphic design, web design.

I thrive on bringing ideas to life through visual storytelling and interactive experiences, whether through web design, or branding. As I continue my studies, I aim to refine my skills and explore innovative ways to enhance digital communication.

Objective

A highly motivated and detail-oriented individual seeking an opportunity in a dynamic and innovative environment where excellence is the standard. Aspiring to develop my skills and expand my knowledge as an Intern, gaining hands-on experience to kick-start my career in the IT industry. Passionate about problem-solving, troubleshooting, and delivering quality technical solutions while contributing to the success of the organization.

| Information Technology Intern
FC Tec/MICTSETA/Learning4Life, City of Cape Town, Western Cape, South Africa | Feb 2025 - Present |
| As a final-year Multimedia Applications student, my curriculum includes Work Integrated Learning (In-Service Training). Since February 2025, I have been privileged to participate in the Learning4Life program, funded by MICTSETA, where I was placed at my host employer, FC Tech, as an intern. Under the guidance of my mentor, Jessica, I have gained valuable real-world exposure and hands-on experience in my field, contributing to live projects and enhancing my technical, creative, and collaborative skills. This opportunity has allowed me to bridge the gap between academic knowledge and industry practice, while developing a deeper understanding of professional workflows, project execution, and client expectations. | |
